A Merry Christmas

And a

Happy New Year

To all Members

From The Board Of Management

EXECUTIVE DIRECTOR:	Max Sutherland
EXECUTIVE SECRETARY:	Ron Hurley
FINANCIAL DIRECTOR:	John Corn
COMMITTEE MEMBERS :	Albert Taylor, Ray Wheeler
Editor:	Albert Taylor

FROM THE PRESIDENT

The Pennant Season is well under way with our Saturday teams progressing well. The Division 2 and the Division 3 teams are sitting on top of their respective ladders.

The Division 4 team is struggling with strength of the opposing teams and are finding it hard yakka against their stronger opponents.

It is with regret that the committee have had to withdraw the Division 6 team due lack of bowlers being available to play, this means now those bowlers left over can now play Bankers, with the selectors rotating bowlers into the 3rd side.

If you are named in the Bankers could you please let the selectors know if you cannot play.

The Tuesday Mid-Week Pennant Teams are struggling with Division 2, 7th on the ladder, Division 4 are struggling on the bottom of their ladder, the 6-a-side teams is going well sitting 7th and are pushing teams above them, keep up the good bowling.

Quicka Bowls is back on the scene again with nominations being called for. December 10 is the date that all names must be on the sheet, make an effort to place your name on this list if you wish to play.

More information will be forwarded to those members participating as the Bowls Committee receives it.

Please indicate on the sheet if you wish to be a team Manager or Selector, the bowls committee will review candidates and appoint members to these positions.

Thanks to Jeff Crook, for placing a new steel box at green level for competition mats and jacks, I am sure that this will be greatly appreciated by all who in the past have had to take mats and jacks back and forward to the Bowls Office.

Thanks Jeff and for organising this job and with the greatly appreciated help from Ray O'Toole, I am sure it will be well liked by all.

The key for this lock is hanging in the bowls office with the umpires box key.

Club Championships: all rounds apart from finals must be played before Christmas, those rounds not played will be forfeited

The Men's and the Women's Singles Final will be played at 10.00am on Sunday 14th January 2018.

The Men's Pairs Final will be played at 1.30pm on Sunday 14th January 2018.

Lunch will be served, sausages and bread with onions for a gold coin donation for all those in attendance. The bar will open.

On behalf of the Bowls Committee, I would like to wish all bowlers and members a very Merry Christmas and a Happy New Year and we will see you all back at the club or on the greens in the New Year.

Carl Boltwood President.

FROM THE EXECUTIVE DIRECTOR

Hello Members.

On behalf of the Executive Committee, I wish you and your loved ones a very Merry Christmas and a Happy, Healthy and Prosperous New Year.

A thank you to all members of the Executive and Bowls Committee and to all of the volunteers for your help around the Club and allowing us to survive without paid staff.

To our newer members please help when you can. We are always looking for members to help behind the Bar, at Functions, and with the Gardens, Greens, Kitchen and Maintenance.

For those of you who are going away, I hope you have a great time and return home safe and refreshed.

BLUE HILLS EARLY YEARS HUB

Changes to car parking

As has been previously advised, Knox Council will be redeveloping the Blue Hills Early years hub, with work commencing in the new year. As from 1st February 2018 the current car park at the rear of Blue Hills will no longer be part of the Bayswater Bowls club. A new park has been constructed at the rear of the club and parking will also be available on the club side of the drive to rear of club.

- As part of managing traffic and parking issues during the construction of the Bayswater Early Years hub, the following instructions will be issued to the contractors:
 - All construction traffic will be required to access the site via Phyllis Street from Stud Road.
 - Deliveries (large vehicles, concrete trucks, etc.) will be restricted to outside of Primary School drop-off and pick-up times.
 - On Bowls club days (Tuesday and Saturday), deliveries to site to be restricted to designated hours and subcontractors directed to park in the Guy Turner carpark, or within the compound which will be situated on the rear of the existing carpark. Site supervisory personnel to utilise 4 existing parking bays on the site frontage to Phyllis Street.
- Street signage will be installed at access roadway entry prohibiting primary school traffic from parking on site during construction period.
- There may be other means to minimise congestion and maximise parking for the bowls club; this will be discussed with the contractor once appointed.

SPONSORSHIP OFFICER

Bayswater Bowls Club urgently need a person to take on the role of **Sponsorship Officer**, to look after our many sponsors and to find new ones. The role entails keeping in touch with our sponsors, organising banners where needed, and building a close relationship with the bowls club. There is not a lot of time involved but with all jobs it is up to you as to how much time you allocate. The sponsorship officer is responsible to the board.

KNEE OSTEOARTHRITIS

Do you suffer from knee pain? Melbourne University are currently looking for volunteers aged 50 years and older with knee pain to participate in a study that will compare different types of footwear for knee pain. If you are suffering knee pain and would like to take part in this study and would like an electronic copy of the study information please contact Penny Campbell on 03 9035 5702 or email penelope.campbell@unimelb.edu.au or you can register your details: www.footstepstudy.com.au There is a flyer on the notice board with more details.

Peppertree Hill Community Connect

Peppertree Hill, through their Community Connect sponsorship program, are extending an invitation to 15 or more of Bayswater Bowls Club members to attend an exclusive event at Peppertree Hill Village in Rowville.

The event would include a tour of the village, a delicious morning tea and a chat with some of their residents.

This event would be ideal for members who may be contemplating moving to a retirement village, to get an insight of life in a village.

If you are interested in attending this event please contact Ron Hurley or a member of the board and if there is enough interest arrangements will be made Peppertree Community Connect.
