BOOKING FAQ's

FLEXIBILITY: Please use the options listed on the booking form as a guide only. We are flexible, so if you have any ideas or specific requests, please talk to us and we'll do our best to accommodate them, although we do have some Council regulations in place that prevent the premises being used for certain types of activities, and which also restrict the opening hours.

BAREFOOT: In common with other clubs, we use the term "barefoot bowls", but flat-soled, heel-less shoes are O.K.

RAIN: In the event of light rain we can continue bowling because we have a synthetic surface. However, you might have to call it off or cancel bowling if the weather turns nasty. (We could have an impromptu trivia session as an alternative if you wanted.)

CHILDREN: Children are welcome, and depending on their age, can get out and play bowls (we have special bowls for them), but we'd like them to be kept under adult supervision. With bowls whizzing around the greens, safety is an issue.

ALCOHOL: The club is fully licensed and the bar will be opened if required. We can run a "tab" if that's what you want, and you can restrict the type of drinks put on the tab (to, say, regular beers, wine and soft drinks only). Drinks are at normal bar prices. Under the terms of our licence, guests are NOT permitted to bring their own alcohol.

PAYMENTS: Please note that we do not have any credit card or EFTPOS facilities.

DIETARY: If we are catering for you, please let us know of any special dietary requirements (e.g. vegetarian) ahead of time and we'll do our best to meet these needs. We have been advised that on our spit roast menu, the following items are gluten free: Meat, Potatoes, Garden Salad, Rice Salad, Beetroot, All Vegetables, Pavlova, Fruit Salad/Platter. It is also recommended that people with allergies come through the buffet first to reduce the risk of cross contamination. The sausages we use on the BBQ are also gluten free.

MUSIC: If you are thinking of having a D.J. or a Juke Box, we may be able to organise one for you (P.O.A.), but you are free to arrange your own. You can also hook your own music into our sound system.

LAYOUT: Guests are welcome to re-arrange the clubrooms to suit their particular event. We just ask that when you're finished you put things back the way they were.

STILETTOS: Unfortunately, because of the condition of our timber floor, we ask visitors to avoid or minimise the wearing of stilettos, especially when dancing.

CANCELLATION: Once a booking has been confirmed be aware that in the event of any cancellation, a 20 per cent charge based on estimated numbers may be imposed, or 50 per cent if cancelled less than seven days prior to date of event. Visitors will also be held financially responsible for any damage, excessive cleaning, or any other such extra costs incurred by the club as a result of their actions.
