## **Saturday Metropolitan Pennant Season 2018/19 Format**

The Bowls Victoria Board has decided that the Saturday Metropolitan Pennant Competition will remain in its current form for the 2018-19 season.

This decision followed tabling of a report from the Competitive Participation Sub-Committee (CPSC). Agreement was reached that the work of the CPSC will continue and be expanded to include additional Club and Region representation. Communication with Clubs, Regions and bowlers will be a key focus of their continuing work and more detail about the Committee's future activities will be released in due course as more options are considered for future years.

A key learning has been the strong view that any change must be introduced with an appropriate lead time which carefully considers the consequences of revising Division/Section numbers and promotions or relegation rules.

As of March 2018, BV has engaged Sports Marketing Consultants Gemba to undertake research which will underpin future decisions made regarding participation development and also assist BV refine its competitive participation products.

Gemba's experience includes developing formats associated with Cricket through the "Big Bash League" and there is an identified group of competition formats that BV will seek Gemba's expertise in researching. As this critically important work progresses, Clubs, Regions and bowlers will have opportunities to be involved in the process.

The adoption of BV's new 2018 – 2022 Strategic Plan will also see the sport addressing a broad range of challenges that go beyond competitive participation. As these matters evolve and new programs and projects are identified, BV and its Board is committed to continuing an open dialogue with our Clubs, Regions and bowlers. Your views are important to us as they assist and support us in determining what we need to do to secure a strong and viable future for our sport. The Board also would like to take this opportunity to thank the CPSC for their efforts and energy so far in progressing the competitive participation dialogue. The feedback process in the Metropolitan area has provided valuable insights that offer a strong basis for moving forward. Thank you to the Clubs, Regions and bowlers who provided feedback on the draft proposal.

While some of the proposed changes had significant support, clearly there is more work needed to address a broad range of issues raised during the consultative process.

An open conversation for enhancing opportunities to engage people in participation in bowls has commenced, and we must continue this dialogue.

Graeme Bridge **CHIEF EXECUTIVE**

# FROM THE PRESIDENT

Hi to Bowlers and Club Members,

As I sit here composing this report it is with great pleasure that I let all members know that the top two sides in Saturday Pennant have finished on top of their respective ladders.

This is the first time in five years that the 1st side has reached their respective final. All members are invited to attend next week's games to be held at home and make as much noise as possible.

The 1st team are playing Berwick and the 2nd side are playing Eastwood Golf. The 3rd side missed the finals this year. There have been some good finds coming in to play for Baysie and these players can only get better with more practice, coaching and game time.

Tuesday Mid-Week Pennant teams did not reach the finals this year with teams finishing in the mid range of their respective ladders.

This week's games saw two of our long time members finishing their time with us on the greens.

Terry Hudson is off to live in the Sunshine State and John Graco is off to live in Portarlington.

Terry has been a member of the club for many years and was Financial Director for a great part of that time.

John, has been the Green's Director doing a marvellous job as Green Keeper, both these two members will be sorely missed around the club.

Now onto other news that is happening in the world of bowls.

Bowls Victoria, have been trying to change the structure of Saturday Pennant. The bowls committee came under fire for the way we did not communicate these changes to our bowls members, the simple truth is our Region (ERBR) were the last Region to have a briefing session with BV and their Consultative Group. This meeting took place eight days before this matter was to be raised at the next Board Meeting of BV.

This matter has been rejected by the Associated Bowls Regions in Metropolitan Melbourne and for 2018/2019 we will be playing Saturday Pennant as it has been played in the past.

A copy of the report has been placed on the Noticeboard in the foyer of the club for all to see, if any member wishes to have a copy, see Barbara Keenan, Bowls Secretary. (See page 2 for full report).

With the season coming to an end, there are other bowls events happening.

Quicka Bowls is going to happen in the near future and Bowls Vice President Lyn Daniel is the person to see if you wish to play. We have only entered 1 side

## From The President—continued from page 3

this year because at the time when the expression of interest to play sheet was placed on the board there were only enough names on the sheet to fill 1 side. (See page 5)

On Monday 12th March, the Masters and Apprentices Tournament will be held come along and enjoy some great games are to be played.

In closing I wish to thank my committee this year for their support and help in running the bowls side of things around the club, I would also like to thank the general members for their support during the year.

I will not be standing for President in the forth coming elections due to my health not allowing me to do the position of President of the Bowls Committee justice.

**Carl Boltwood, Bowls President**

### **SPONSORSHIP OFFICER**

Bayswater Bowls Club urgently need a person to take on the role of **Sponsorship Officer**, to look after our many sponsors and to find new ones. The role entails keeping in touch with our sponsors, organising banners where needed, and building a close relationship with the bowls club. There is not a lot of time involved but with all jobs it is up to you as to how much time you allocate. The sponsorship officer is responsible to the board.

Members are not permitted to bring alcohol onto the premises under our Liquor Licence. Anyone seen breaching this rule will be suspended from the Club.

A further reminder that the taking of "GLASS" near the Greens is not permitted. PLEASE read and observe the signs including the "No Smoking Signs".

*"Yesterday is but today's memory and tomorrow is today's dream."*
