The continuation of the Waiving of the annual subscription for the first 12 months is to continue.

Lockers

The existing lockers were installed when bowls bags were much smaller. To assist the executive to determine the future of the existing lockers and/or should we replace them with larger lockers to accommodate the newer style bowls bags, It would be appreciated if existing locker users advise me if the existing lockers are adequate or would they prefer the new style larger lockers.

Advice from members who currently do not have a locker, would they use one if the lockers were larger.

Ron Hurley, Executive Secretary

For historical research commissioned by Melbourne Water, we are seeking recollections and anecdotes of the Creek and its related activities in the Bayswater and Wantirna areas.

If you can help, Please contact me.

SUPPORT THIS SPECIAL EVENT

On Saturday, May 14, our friends from the Melbourne Soul Club are holding a special night to raise money for the MPS Society of Australia. Sufferers of MPS (mucopolysaccharidoses), which is a genetic disorder, are unable to produce certain enzymes which results in a wide range of both physical and mental disabilities.

Melbourne Soul Club DJ Andy James and his wife Sharon have two boys, Zac and Jordan, who have MPS. There is no cure, and MPS Society which provides support networks, receives no Government funding.

Bayswater Bowls Club is waiving its hall hire charges as a gesture of support for this worthy cause. All door takings and the proceeds of other fund raising activities during the Soul Club night at Bayswater Bowls Club on Saturday, May 14, will be donated to the MPS Society. If you wish to help, you could turn up on the night and pay the entry fee of \$5. You don't have to stay if you don't want to.

**FINALLY...THE BLONDE JOKE TO END
ALL BLONDE JOKES!**

A blonde woman was speeding down the road in her little red sports car and was pulled over by a woman police officer, who was also a blonde.

The blonde cop asked to see the blonde driver's license. She dug through her purse and was getting progressively more agitated.

'What does it look like?' she finally asked. The policewoman replied, 'It's square and it has your picture on it.'

The driver finally found a square mirror in her purse, looked at it and handed it to the policewoman. 'Here it is,' she said.

The blonde officer looked at the mirror, then handed it back saying, "OK, you can go. I didn't realize you were a cop..."
