FROM THE PRESIDENT

With the Saturday Pennant Bowls Season underway, three games as of writing, it is good to see that the 1st Division team sitting in third position. 2nd Division. team sitting atop the ladder with 3 wins.

3rd Division. team sitting just outside the top 4 in 5th.

The Mid-Week Pennant Season is well underway with our

Division 2 team sitting in 5th position with 2 wins, 1 draw and 1 loss.

Division 4 team sitting in 6th position 2 wins and 2 losses.

6-a-side sitting in 7th position with 1 win and 3 losses, this team mainly consists of new bowlers and those looking for a social game of Pennant.

As from the start of the Saturday Pennant season the Selectors have adopted a new simplified system to measure Performance of players as of writing these selectors are in the process of adopting a system that will measure the performance of Skippers.

It is imperative that players filling in these cards are implored to enter correct records of scoring as these figures are used in ascertaining players ability to play in the position selected.

This year's practice nights are mainly Thursday night with our Club Coaches organising training drills that are designed to improve players abilities to bowl to a better standard.

Tuesday nights are informal practice with players in the top sides practicing drills and generally improving their skills gained from carrying out drills supplied by the coaches.

FROM THE PRESIDENT *Continued from front page*

All players no matter what ability are welcome to attend training as the skills drills supplied to players are intended to improve your ability to bowl.

Practice Nights are not compulsory but your attendance to training sessions would be appreciated.

The bowls committee this year is working well under the direction of our very capable Secretary Barbara Keenan, thanks Barb you make my position of President a lot easier knowing that you have everything in hand and under control. Wednesday Mid-Week Nominated Triples Social Bowling is running along quite well, earlier in the year these days were very popular when bowlers from other clubs came and participated while their grass greens were closed due to the amount of rain that we have experienced so far this year.

Assist the Bowls Coordinator and his team of helpers by trying not to remove your names from the list as this makes Bob's job so much harder.

Thanks to Bob Murray, Wally Gear and Terry Davis for your efforts in organising these games.

On behalf of myself and the Bowls Committee I would like to wish all Bowlers playing pennant whether Tuesday or Saturday a good season and the best of luck for the rest of the year.

Carl Boltwood
Bowls President.

STAN PIERGROSSE

Former member of Bayswater Bowls Club, **Stan Piergrosse**, passed away peacefully on the 18th October, aged 98. Stan was a long time member of our club and will be well known to our older members. Our deepest condolences go to the Peirgrosse family.

NEW CAR PARK

Members may have noticed work being done at the north end of the club. The Council is building a new car park to give the club more spaces when they redevelop the Blue Hills centre.

Work on the new Early Years Hub should start in the New Year and there will be some changes to the car park. Members are requested to stay well clear of works and we hope that there will not be to much interruption to parking arrangements.

NOTICE TO ALL MEMBERS

It has been brought to the Board's attention that a Member has been accused of entering the Storeroom behind the Bar and helping themselves to a drink and not paying for it.

This accusation has been repeated by certain people without checking the validity of the accusation. To make it worse, on the day this was supposed to have happened the person concerned was nowhere near Melbourne.

The truth of the matter is:

That on a different date the person concerned actually removed a drink from the Kitchen Fridge where he had placed it earlier in the day to get cold.

The sports drink concerned was not even a brand that the Club stocks.

On behalf of the Club, I wish to apologise to Andrew Cullen who was the accused Member referred to above.

Residents of Wilkinsburg, Pennsylvania, decided to prepare a time capsule for the people of the future. It was buried in 1962 and was supposed to be dug up twenty five years later during the town's centennial. But when 1987 rolled around, all the people involved in filling the capsule had died. Since they also had forgotten to write down its location, the ceremony to dig up the container had to be cancelled.
