## **BAYSWATER BOWLS CLUB BOOKING FAQ's**

**FLEXIBILITY:** Please use the options listed on the booking form as a guide only. We are flexible, so if you have any ideas or specific requests, please talk to us and we'll do our best to accommodate them, although Council regulations prevent the premises being used for certain types of activities and determine opening hours.

**BAREFOOT:** In common with other clubs, we use the term "barefoot bowls", but flat-soled, heel-less shoes are O.K.

**RAIN:** In the event of light rain, we can continue bowling because we have a synthetic surface. However, you might have to call it off or cancel bowling if the weather turns nasty. Indoor options include pool, darts, table tennis and carpet bowls.

**CHILDREN:** Children are welcome, and depending on their age, can get out and play "bowls" (we have special bowls for them), but we'd like them to be kept under adult supervision. With bowls whizzing around the greens, safety is an issue.

**ALCOHOL:** The club is fully licensed, and the bar will be opened if required. We can run a "tab" if that's what you want, and, if you wish, you can restrict the type of drinks put on the tab (to, say, regular beers, wine and soft drinks only). Drinks are at normal bar prices. Please Note: Under the terms of our licence, guests are NOT permitted to bring their own alcohol.

**PAYMENT METHOD:** Cash, card (Visa, Mastercard) or cheque on the day. By invoice, cheque or EFT.

**DIETARY:** If we are catering for you, please let us know of any special dietary requirements (e.g. vegetarian) ahead of time and we'll do our best to meet these needs. We have been advised that on our spit roast menu, the following items are gluten free: Meat, Potatoes, Garden Salad, Rice Salad, Beetroot, All Vegetables, Pavlova, Fruit Salad. It is also recommended that people with allergies come through the buffet first to reduce the risk of cross contamination. The sausages and hamburgers we use on the BBQ are also gluten free.

**MUSIC and TV:** If you are thinking of having a D.J. or a Juke Box, we may be able to organise one for you (P.O.A.), but you are free to arrange your own. You can also hook your own music into our sound system. A laptop can be linked to one of our TV sets via an HDMI cable.

**LAYOUT:** Guests are welcome to re-arrange the clubrooms to suit their event. We just ask that when you're finished you put things back the way they were.

**STILETTOS:** Unfortunately, because of the condition of our timber floor, we ask visitors to avoid wearing stilettos, especially when dancing.

**CANCELLATION:** Once a booking has been confirmed be aware that in the event of any cancellation, a 20 per cent charge based on estimated numbers may be imposed, or 50 per cent if cancelled less than seven days prior to date of event. Visitors will also be held financially responsible for any damage, excessive cleaning, or any other such extra costs incurred by the club as a result of their actions.
